

25th Annual Golf Tournament!!

Yes, it's been almost 25 years since our inaugural tournament, and for 2022 ***we have a major change... we are moving to Timberlin Golf Club in Berlin!!!*** We are very excited since this will bring many benefits for all participants:

1. Nestled at the base of Ragged Mountain, a "hidden gem" with a varied layout and GREAT for tournament scramble play
2. A nice facility with both putting green and driving range right near the clubhouse
3. A better location – surprisingly close to Newington – 17 mins from Newington Center

We hope all our loyal players in all recent past years will make an ***extra effort*** to turn out next year in 2022 at our new location. For those of you who have not tried the tournament, we hope this convenient location will be a reason to give it a try for the first time! While we have averaged around 80 players the past several years, this year we hope to top 120 players, ***and break all records!! So...***

RESERVE THE DATE – Saturday, September 24, 2022

Tee off around noon.
